

This is only a list of suggestions. If you have songs that you want specifically, please email me with your song list. I am happy to work with you on your music choices, and enjoy variety which is why I've sung in numerous genres professionally. I am also able to sing songs in Italian, French, German, Latin, Farsi, Russian, Czech and Polish and Spanish, but will require more time to prepare other language songs. Normally, I will require 6 weeks to prepare. Other language songs will require more time.
